SUMMARY

Multimedia creative, UI/UX designer, and web developer with freelance and remote experience creating merch, ad creatives, product labels, publication materials, and websites for clients and organizations. I understand instructions quickly and deliver polished work efficiently, with a strong eye for consistency and detail. I have led and designed for student organizations across senior high school and university.

PROFESSIONAL EXPERIENCE

Graphic Designer, Multimedia Creator & Web Editor — Jul 2026 – Oct 2026
Fernando "The Phantom" Diaz-Marquez, Professional Boxer · Part-time, Remote

- Designed the fighter's official merchandise and prepared print-ready files for production.
- Created promotional graphics and video content for his personal brand.
- Managed media and merch content on his official website through GoHighLevel; coordinated with the team on Slack.

Ads Manager & Ad Resizer — Mar 2026 – Aug 2026
MyEventPlus, Event Planning & Community Platform · Remote

- Resized and recreated 200+ ad creatives across placements from 1" to 8" using Canva and Figma.
- Adapted English and Hebrew ad layouts for a wide range of local advertisers while keeping each brand consistent.
- Managed ad assets from production through delivery.

Multimedia Manager — 2026
Blissie, Skincare Brand · Freelance

- Designed printable product labels and brand graphics for the skincare line.

Social Media Manager — 2021 – 2023
Kvtrendz.ph, Online Fashion Boutique · Freelance

- Managed social media content for a boutique selling preloved, brand-new, and overstock apparel, building a cohesive visual identity with clear product presentation.

LEADERSHIP EXPERIENCE
